

WHAT IF...?

Expert Advice about Teens & the Law

Don't miss this lively panel discussion covering a multitude of topics ranging from **kids & cars to parents & parties**.

Our experts will answer many questions parents have about laws and their impact on the decisions we make with and for our teens.

Today's parents are faced with many WHAT IF? Scenarios:

- What are the legal consequences, both as a driver and a passenger, if your teen is pulled over for a curfew violation?
- Can the police require kids they find at a party to take a breathalyzer test?
- What are the legal liabilities for "social hosts"?
- What incidents can be placed on your student's formal high school record & sent off to respective colleges?
